

POST-GAME QUOTES COACHES VS. CANCER IKON CLASSIC NORTH CAROLINA STATE - PRINCETON

NORTH CAROLINA STATE HEAD COACH HERB SENDEK:

On the last possession

"We did not give them the second foul only because if we gave it to them, the next would have put them in the bonus and if you inadvertently foul them, they go to the line and can win the game. We took it to that threshold and, sooner or later, we were going to have to guard them."

"We tried to be very alert and aware. And despite our best efforts, they still got some, as they always do. It takes a lot of self-discipline to guard them for 40-second possessions. And if they get an offensive rebound, then you'll be playing defense for 80 seconds."

On the Princeton defense

"I think their defense was excellent. Their offense obviously gets highlighted, but their half-court defense was outstanding. We have a great deal of work to do on offense."

On losing on a goaltending call

"It would have hurt just as much as if the guy threw in a hook from half court. Either way, it counts just the same and you lose."

NORTH CAROLINA STATE POINT GUARD JUSTIN GAINEY

"They had been doing it (moving the ball) all game and we should have been use to it. Their style of play is real mental, so you have to do a lot of thinking out there. Not as much on the ball, but your man cutting and helping out."

NORTH CAROLINA STATE FORWARD C.C. HARRISON

"It was just a defensive battle out there tonight. They came up big with a few seconds left. We still had a chance, but it just didn't come up for us. We can play that type of style too. It really wasn't that much of an adjustment. They really excited their offense and hats off to them."

PRINCETON HEAD COACH BILL CARMODY:

"It came down to the last shot and if they get their catch and tip-in, the game could have easily gone into overtime. Those were two evenly matched teams. I haven't seen a team that guards as well as N.C. State since I don't know when. We shot poorly and it was a struggle. Our guys hung in and made some big shots. When we got the ball down to Steve (Goodrich), he always seemed to find the right guy."

On the first half shooting

"We didn't shoot well. After our stream of turnovers, I thought our offense was running pretty well. We had some real open shots that we normally hit and we missed them. I didn't think it would continue, but it did. A lot of that was their defense. We just couldn't put it in the bucket, but they're an outstanding defensive team."

"They're an athletic team. Everything was hard fought and a struggle. Both teams we played were bigger than us, stronger and faster. I told them that N.C. State is a young team and that you guys are the experienced ones and that they just had to go out in a methodical way and play their game. Come down and do your business surgically and I think it'll work out."

PRINCETON POINT GUARD AND TOURNAMENT MVP BRIAN EARL

On winning the tournament

"We came to this tournament hoping to do well and we had to face two teams ranked in the Top 25. Its a couple of great wins, but we're looking forward to a few more big wins."

On his play

"They (his shot) were open. Its a function of the offense. I had a lot of open shots and James (Mastaglio) knocked down a big one. They're always going to be open in our offense. That's the way its designed. We'll knock them down when we need to and we did tonight."

PRINCETON FORWARD JAMES MASTAGLIO

"Its feels real good to start the season 2-0. We could have just as easily come in here and start the season 0-2 by playing these top teams (Texas and N.C. State). We knew we were just as good any of these guys in here and it showed the last two nights."

On the final play

"It was a play we had been running a lot in the second half. Its a play it works a lot when we play these big teams. Someone just lost track of their man and Steve (Goodrich) set a good screen on top and Briar had a layup."
